5 Reasons The VA Keeps Screwing Up Your VA Claim.: And How You Have The Power To Fix It!

Synopsis

VA accredited attorney Chris Attig has looked through HUNDREDS of C-Files for HUNDREDS of Veterans. He has seen what Veterans submit in their VA claims and appeals, and he has seen what the VA does in response. There are patterns in what the VA does. The patterns demonstrate how the VA keeps making mistakes over and over again, why the VA is taking so long, and why Veterans and their survivors are constantly having to appeal to the Board of Veterans Appeals and the Court of Appeals for Veterans Claims. In this book, Chris Attig lays out the 5 biggest patterns that cause the VA to keep screwing up a Veteran or survivor's VA claim or appeal. He then explains how a Veteran or Survivor has the power to fix these problems.

Customer Reviews

Very short.

This book talks about what happened to one vet which I sympathize with because I have been there too. However he doesn't talk about what you need to do to CORRECTLY get your claim fixed. He just talks about what happened in his case and how you can do things in your own case. He doesn't

explain the ins and outs; the correct forms and how to fill them out; really no help to me.

I work with Veterans on a daily basis, as well as being a Veteran myself, and found this writing to be very clear, concise, and enjoyable to read. Chris Attig provides very beneficial and practical information for all veterans filing a VA disability compensation claim.
