Customer Reviews

I love this book! It's printed on expensive paper with true to color pictures. The explanations are easy to understand. The index makes it easy to look up a condition/illness. People who don't especially like to read will flip through this book. I highly recommend it! Well worth the money.

THIS AN EXCELLENT BOOK. I LIKE AND I RECOMMEND IT.IT HELPS TO LEARN HOW TO EAT HEALTHY. THIS BOOKS IS ABOUT THE HEALTHY FOOD WE SHOULD EAT.

If you are seeking to treat your body to wholesome foods and improve your health with excellent nutrition and a wealth of homeopathic remedies then this book is the perfect source to begin your journey to a better and healthier "You".

A comprehensive and illustrated almanac about food, preparation and its complicated relationship

with illness and health. The author provides convincingly clear and useful information about the composition, nutritional and therapeutic properties of food. The reader may select out of many (also less known) fruits, vegetables, seeds, nuts, etc., to compose an individual healthy diet. Also a description of cancer promoting foods to avoid and foods to prevent cancer. Many references in the bibliography. This edition is from January 2003.
