The Soul Of Rumi: A New Collection Of Ecstatic Poems

Synopsis

Inside *A Lover's Heart There's Another World, And Yet Another* Rumi's masterpieces have inspired countless people throughout the centuries, and Coleman Barks's exquisite renderings of the thirteenth-century Persian mystic are widely considered the definitive versions for our time. Barks's translations capture the inward exploration and intensity that characterize Rumi's poetry, making this unique voice of mysticism and desire contemporary while remaining true to the original poems. In this volume readers will encounter the essence of Sufism's insights into the experience of divine love, wisdom, and the nature of both humanity and God. While Barks's stamp on this collection is clear, it is Rumi's voice that leaps off these pages with a rapturous power that leaves readers breathless. These poems express our deepest yearning for the transcendent connection with the source of the divine: there are passionate outbursts about the torment of longing for the beloved and the sweet delight that comes from union; stories of sexual adventures and of loss; poems of love and fury, sadness and joy; and quiet truths about the beauty and variety of human emotion. For Rumi, soul and body and emotion are not separate but are rather part of the great mystery of mortal life, a riddle whose solution is love. Above all else, Rumi's poetry exposes us to the delight that comes from being fully alive, urging us always to put aside our fears and take the risk of discovering our core self: No one knows what makes the soul wake up so happy! Maybe a dawn breeze has blown the veil from the face of God. These fresh, original translations magnificently convey Rumi's insights into the human heart and its longings with his signature passion and daring, focusing on the ecstatic experience of the inseparability of human and divine love. The match between Rumi's sublime poetry and Coleman Barks's poetic art are unequaled, and here this artistic union is raised to new heights.

Whether you are new to Rumi or a devotee, whether you are a seeker of truth and wisdom, or you would simply enjoy a book of wonderful poetry, this is a book you should buy. First if all, I should explain that I love Rumi and recite Rumi, and do it well enough, that listeners often ask me which book should be chosen. Since the publication of *The Soul of Rumi*, I find myself saying that if one were to choose two books that are the best of Rumi, the first is *The Soul of Rumi*, and the second is *The Illuminated Rumi*. Coleman Barks translations of Rumi have a spirit and beauty that truly reflect Rumi's vision and clarity. Coleman's accompanying dialogues give us a glimpse into Rumi, 13th century Turkey, and Shams, Rumi's mystical friend and teacher. Coleman makes it easy to understand Rumi's poetry; not just as a translation from the 13 century, but for the wisdom and guidance it offers to all of us, living in the 21st century. The poems in the section on Human Grief were one of the ways I managed to get through this last September. What is most wonderful for lovers of Rumi, is the order and sections that Coleman chose in this book. This presentation is a wonderful format to help the reader understand the passion and the soul of Rumi. The sections are divided into 'wisdom categories' (my interpretation). The names of the sections communicate the viability of Rumi for today's important life questions. For example, "Living as Evidence", and "The Banquet - This is Enough was Always True", and "The Joke of Materialism". Some sections reflect Sufi concepts like Fana (Dissolving beyond doubt..) and Baqa (reentry into the world, "the Arabic word for living within, ...life lived with clarity and reason, ...the absorbing work of this day").
