Customer Reviews

This is a wonderful book on Sri Nityananda Rama. There are a few "Nityanandas" out there. There is "Bhagawan' Nityananda" (1897-1961); "Paramahansa' Nithyananda" (1978-). But this book is about THE Nityananda, associate of Sri Caitanya, who appeared in 1474. People looking for some "nectar" on the life of Sri Nityananda can never get enough. But this book certainly helps. My only complaint is that the hyphens are apparently hard-coded into the text. So instead of splitting a word at the end of the line, you will see a hyphenated word in the middle of the page. For example: "They stayed awake the en- tire night." But this distraction is not enough for me to give this book less than 5 stars.

Nityananda prabhu is worshiped in all Hare Krishna temples but it is difficult to get a concise

biography of his life, for those who may be new and inquisitive. This book provides that. The author is an amazing person, such a sweet and humble soul. A person will surely become a devotee after reading this.
