Debussy -- Deux Arabesques For The Piano (Alfred Masterwork Edition)

Synopsis

Debussy was not referring to "arabesque" in the form of a ballet term but rather to the meaning of "arabesque" as a piece with exquisite detail and clear repetitions of ideas and artistic balance. These pieces were written in 1888 during Debussy's earliest compositional period.

Customer Reviews

I love Arabesque No. 1! I had to purchase this piece again, because my first copy was destroyed by my sister. Yes, I know that sounds ridiculous... but sadly it's true... I purchased the physical copy and it came in very good condition!

It is what it advertises

This sheet music appear to be blank, at least on my Kindle DXi. Clearly there is something wrong here. I will not buy again unless I'm shown this problem has been solved.
