Customer Reviews

The series of the New Collected Works is a marvelous edition. There's something strange however with Volume 123. I ordered the Music to the film "New Babylon" and I received the Music to the film "Alone". As I try to collect them all, I don't bother, but the ISBN number and the volume number can be found on various sites with both the titles. I wonder how to order the Music to the film "New Babylon".
