At last, we've gotten a wonderful and cheap book of Rorem's songs (this review applies to the low voice as well). There are a few songs that I wish were on there (like "I Am Rose") but for the most part, this is thorough and should be all that you need.

This book was ordered for my daughter's college major. She needed it for high voice and it was recommended by her voice teacher. I can only say if her voice teacher suggested it, it must be a good. He's an excellent voice teacher!
