Customer Reviews

Alfred is the best edition. The font are big, clear and easy to follow, read and play. Plus It spiral which I considered as huge advantage and I even would pay extra for having it spiral instead of binder, as it sit well on your piano stand, with out you fighting the book to keep open. The fingering are great and precise. Personally the first thing I am always looking when I'm buying the scores book is if it comes with Alfred edition. The pieces are also graded from low intermediate to highly advance so you can follow the right level or at least know what level of player you are if it easy for you. Just fantastic. You will be satisfied.
