More Army Blue: The Uniform Of Uncle Sam's Regulars 1874-1887 (Schiffer Military History)

Synopsis

In this new book, the development of an altogether new uniform for troops of the United States Army, a few years after the Civil War, has never been told so well or so comprehensively. In this volume, the sequel to the authors highly praised *Army Blue: The Uniform of Uncle Sams Regulars, 1848-1873*, John Langellier continues the story of the evolution of American army uniforms during a critical period that saw experimentation and innovation finally surmount conservatism to produce some of the more practically functional and aesthetically appealing martial clothing in American history. The breadth of Langelliers research, coupled with his years of accumulated expertise in the study of historical army uniforms, is evident throughout, and together make this book the most thorough and precise accounting the topic has ever received.

Book Information

Series: Schiffer Military History

Hardcover: 327 pages

Publisher: Schiffer Publishing (June 1, 2001)

Language: English

ISBN-10: 076431310X

ISBN-13: 978-0764313103

Product Dimensions: 9.1 x 1.2 x 12.3 inches

Shipping Weight: 4.8 pounds (View shipping rates and policies)

Customer Reviews

Excellent Purchase. Not your general information book. Wonderfully detailed pictures. Will answer the questions needed for quality reproduction work. A must have for the Indian Wars period.

John Langellier is a quality researcher and this book shows it. You can depend on this book for accuracy and supported conclusions. Photographic quality, though, (and so typical of Schiffer books) is all over the board. That is too bad. It is a high quality product in a sub-quality package.

Great Reference book, A1

Best reference on the topic that I have seen. Lots of great color pictures. If you collect post Civil War US - buy this book.

Very good reference book. Recommended.
