Customer Reviews

This is a great handbook for the FRE. The concise rules are listed in the first section and the rules with the advisory comments are in the second section. I wish it had cases in the notes, however. Overall, this is a great book to have handy in trial.

The book is of good quality. It's nice how the rules are in the first pages of the book unencumbered AND the rest of the book with prior versions and committee notes.

Good layout and clear wording.
