DAVID CHIPPERFIELD 1991-2006 (El Croquis 87 + 120) (English And Spanish Edition)

Synopsis

Some fifteen years of architectural production by David Chipperfield have been brought together in this double edition of El Croquis, which combines the earlier numbers 87 and 120. A total of 53 projects are examined, accompanied by plans, elevations, full page photographs and introductory texts. Also includes two interviews with Chipperfield and an essay by Aaron Betsky.

Customer Reviews

If you really love him, this is a great book to have. It features lots of projects, model shots, and dwg. I'm especially fond of those early wood models. However I found some of recent projects kinda trendy and banal, compared to the introvertial complexity of early projects. It seems there're several different lines going on in the office and nobody tries to unify them.

I am impressed with this book. It has an expansive survey of David Chipperfield's work with detail drawings. As usual, El Croquis is the book to go for a monograph.
