Symbols In Game Of Thrones: The Deeper Meanings Of Animals, Colors, Seasons, Food, And Much More

Synopsis

With dogs, wolves, ravens, blood flies, and more, animal symbolism is endlessly significant in Game of Thrones. Why does Daenerys receive magical eggs? What does a hand symbolize or a horn? There are meaningful towers and water gardens stretching from the pyramids of Meereen to the infamous Iron Throne. Meanwhile George R. R. Martin's characters chomp on bloody beef, blood oranges, red wine, beets, and pomegranates between the inevitable bloodbaths. The intricately crafted world of the books and the show have endless depth. It's all revealed in this companion for fans of every flavor.

Book Information

Audible Audio Edition

Listening Length: 5 hours and 57 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Valerie Estelle Frankel

Audible.com Release Date: May 11, 2015

Language: English

ASIN: B00YN7EN5O

Best Sellers Rank: #62 in Books > Humor & Entertainment > Television > Guides & Reviews

#191 in Books > Audible Audiobooks > Arts & Entertainment > Performing Arts #3045 in Books > Arts & Photography > Performing Arts

Customer Reviews

I have a Game of Thrones addiction. I didn't mind this book. I really didn't learn anything new but there were a couple of things that made me think a little bit deeper. The one thing that always bothers me (just on a personal level) is how Catelyn is overlooked and lessened especially since the television adaption. There was a bit about Cats and specifically Cat of the Canals but my interpretation of that was Arya picked that name because it was her mother's nickname it made her feel close to her mother and it was one more thing she wasn't willing to give up. I realize it's a personal reading and all and yes Arya waged cats but I don't think that was her favorite persona because of the cats that ran with her along the canals. Oh well, rant over. Bring on Winds of Winter already!

I have only seen the show Game of Thrones, and have not read the books, so this really interested

me, since it combined symbols from both. Many of the symbols were intriguing, where others were a bit of a stretch. It was a quick read, because I was interested the entire time and made me look closer at the symbols in the new episodes airing on HBO. I plan on reading the first book in the series over the summer, so I will certainly look for the symbols mentioned in this book. I really enjoyed the in depth look at the series, and it definitely was clear the author researched it a great deal. I will certainly read more by this author.

Interesting for GoT devotees but a little dry otherwise.
