Dvorak In America, 1892-1895

Synopsis

"What a wonderful manuscript! The most impressive aspect is the artful way the volume flows effortlessly from one chapter - and one section - to the next. Of all the books on American music at the turn of the century, none brings together so many interesting and richly interrelated dimensions as Dvorak in America. Congratulations!" Dr. Robert Winter Chair, Department of Music, UCLA

Customer Reviews

Good source of information for research I was doing for some program notes and promotion of Dvorak's music. The book also arrived in a timely fashion.
