# The Norton Anthology Of Drama (Second Edition) (Vol. 2)

## Synopsis

The only anthology of drama that's a Norton. The leading anthology of drama offers the most generous collection of major works (66 plays in all, 7 of them new) along with carefully prepared introductions, annotations, and texts. With a newly conceived illustration program focused on contemporary performance and a new color feature, *Plays in Performance*, the Second Edition now brings the stage to the page more vividly than any other anthology.

## Book Information

Paperback: 1685 pages

Publisher: W. W. Norton & Company; 2 edition (November 1, 2013)

Language: English

ISBN-10: 0393921522

ISBN-13: 978-0393921526

Product Dimensions: 6.1 x 1.5 x 9.1 inches

Best Sellers Rank: #141,641 in Books (See Top 100 in Books) #37 in [Books > Literature & Fiction > Dramas & Plays > Anthologies](#) #1944 in [Books > Textbooks > Humanities > Literature](#)

## Customer Reviews

This anthology contains the best collection of modern and contemporary plays that you can find in a single volume. There are, of course, some plays that I would like to see added, but it must be kept in mind that these plays are almost all still under copyright. I am impressed that they were able to get the rights to so many great plays and offer them at such a low price. The introductions for the plays and their authors are well written and informative. They present just the right amount of information for this sort of format. They are not too short, and they do not drone on. I had the pleasure of using this book in a senior level contemporary drama class taught by Dr. Stan Garner, one of the books three editors, at the University of Tennessee. I can say that he is an excellent professor who really knows his field, and though it may be irrelevant in this review, he is a really nice guy. It would be nice to see the second part of Tony Kushner's *Angels in America* added in future editions. I also think *Rosencrantz and Guildenstern Are Dead* by Tom Stoppard would be a good choice, I really can't complain.

I had to buy this book for a Lit class I'm taking, but I'm glad I have it. It has plays like *Fences*,

Glengarry Glen Ross, Death of A Salesman, A Streetcar Named Desire, Pygmalion and more. Every play is preceded by an intro for the author. Great book for reference and good anthology.

I will not be selling back this book after the semester is over. I will keep it along with volume one. I will use them both many times in the future. They are great resources and the plays chosen are excellent!

This tremendous volume was essential for a class I took last year at the Fashion Institute of Technology. The price was right and condition was satisfactory and it came in time, just when I needed it.

Excellent anthology of plays with invaluable introductions for each, going over the evolution of the work as well as the authors. Highly recommend.

Per my son's feedback, he has stated it is in very good condition and serving its purpose for my son attending college.

Easy read and a very interesting anthology! Must have for any literature student, never lose this book!
