Customer Reviews

Just what I was hoping for, only things missing is the song "The Prince is giving a Ball" and the interviews with some of the cast members on the production of the making of the movie with Julie Andrews that came with the DVD.

The description said there was reviews from the three productions, synopsis, and photos. There was only one picture of Julie Andrews and the music. Not what was described. A big disappointment.

Got in early enough for me to learn my song for my audition.
